

HOSPITALITY OF EVENTS

At DI.KE.I.BI.K. events are held following a proposal-introduction from citizens. These events aim, each time, to highlight letters, arts or sciences and may be meetings of an educational or cultural nature, as well as presentations of original intellectual, artistic or scientific works. They must be included in the Library's current operating hours and no buying and selling of any kind or provision of catering services is permitted during their holding.

APPLICATION-PROPOSAL

In order to hold the event, interested parties submit an application to the Electoral Council of DI.KE.I.BI.K., which they send in electronic form (plicorfu@gmail.com), at least 1 month in advance of the possible date of the event.

The request must include:

A. BRIEF CURRICULUM VITAE OF THE APPLICANT/APPLICANT (previous work, intellectual-artistic-scientific activities, etc.).

B. SUBJECT - KNOWLEDGE FIELD AND OBJECTIVES OF THE PROPOSED EVENT
(The following should be mentioned: the title, content and objectives of the proposed event, and the names (and with their qualifications) of those expected to participate in it).

C. PROPOSED TIME AND NECESSARY EQUIPMENT

Applications are evaluated by the Electoral Council of DI.KE.I.BI.K. based on criteria related to the historicity, the cognitive-educational-cultural objectives of the Library, as well as the availability of the room. The proposed events can last up to three (3) hours. Hosting events does not financially burden the organizer. Photocopying of any material that may be distributed to the event participants does not burden DI.KE.I.BI.K. Both the available equipment (video projector – laptop – sound amplifiers) and the event hall, in general, are delivered in the condition in which they were received.
